Veterinarian Position open at Fort Pierre Livestock, Ft. Pierre SD

The Veterinarians at Ft Pierre Livestock Auction are retiring from the Salebarn. The position here at Ft. Pierre will be open anytime after Feb. 1st 2019.

Ft Pierre Livestock handles roughly 230,000 to 270,000 cattle per year. This includes a large number of bred females that require pregnancy test, I D, and mousing. It also includes pregnancy testing of feeder hfrs, as well as vaccination of many feeder calves and yearlings, plus the ID for all bred cattle & feeding cows moving out of state after they are sold.

This is in addition to private practice. In the busiest season, Oct. through Feb., we run 2 sales per week, (plus 3 Wed. sales in Oct). March through September is usually 1 sale per week with mid June through mid September being our slower season.

Over the years, the previous Ft Pierre veterinarians built up a very lucrative private practice as well. This is truly a big opportunity with a very lucrative financial opportunity for one or more veterinarians.

[Current Veterinarian staff would like opportunity to work with new Vet.]

Time is of the essence!!

If interested or for financial details, etc., contact Dennis Hanson or Bryan Hanson at Ft Pierre Livestock:
